Suche die gleichen Formen
und male sie in derselben Farbe
an.

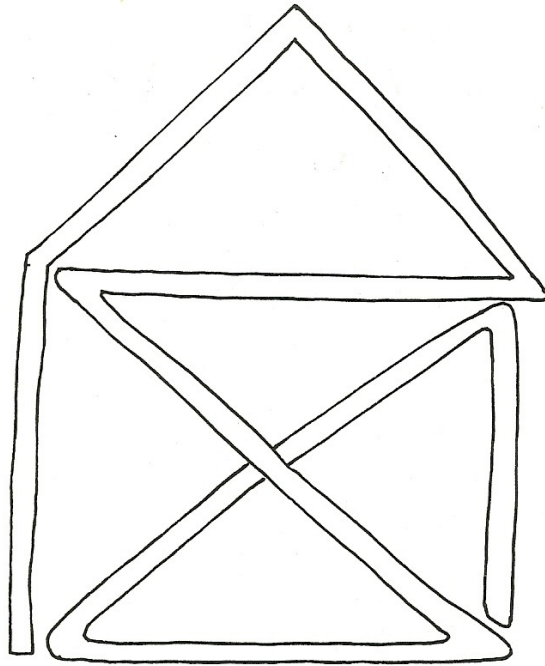

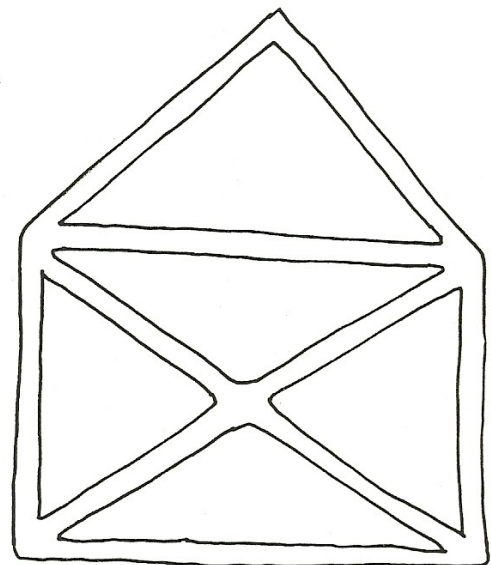

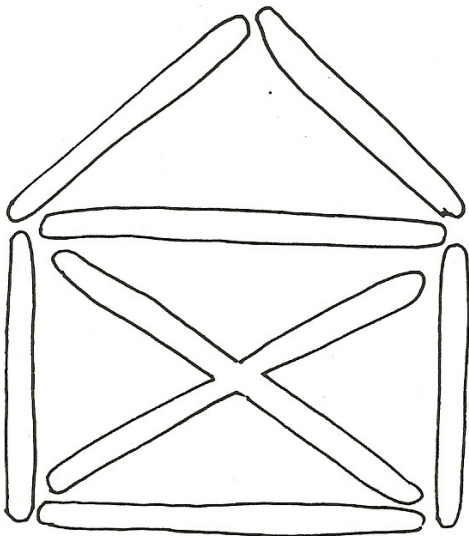

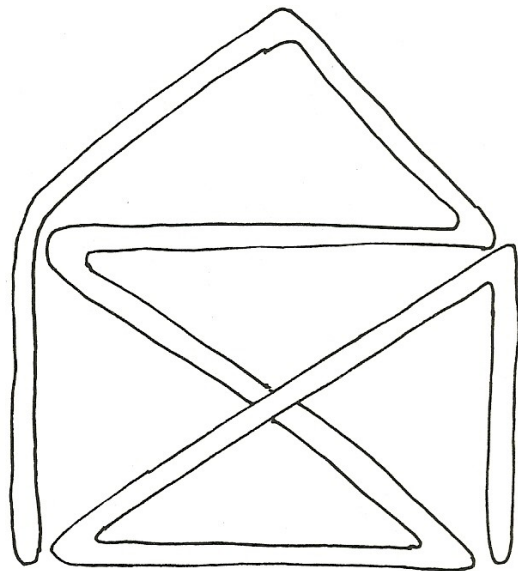

So sollen alle Häuser aussehen.

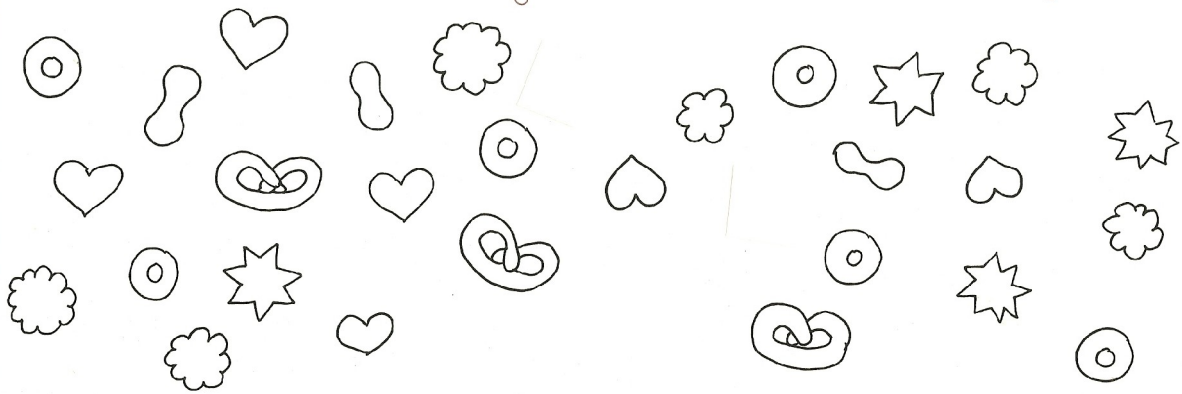

Die Handwerker haben aber Einiges vergessen. Kannst Du die Häuser fertigstellen?

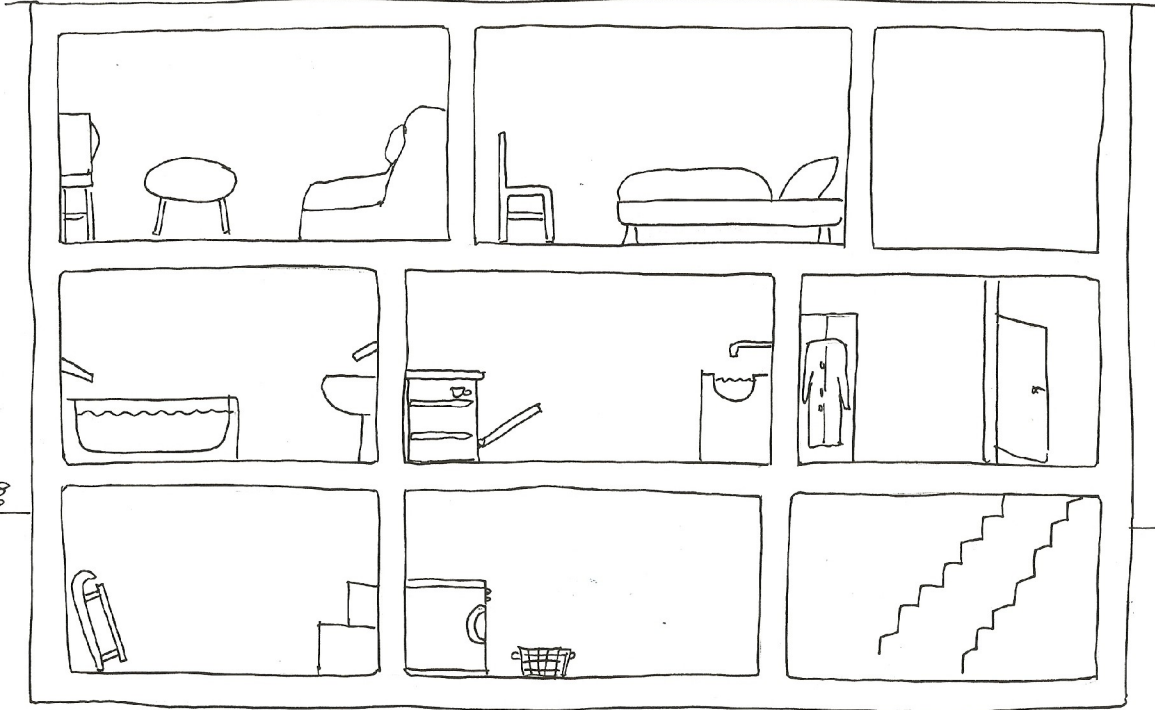

Das Haus
von Nikolaus.
Versuche, nicht
über die Linien
zu malen.

Jedes Kind möchte
gleich viele Kekse haben. Verteile sie gerecht.

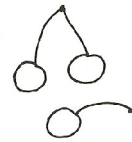

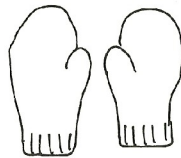

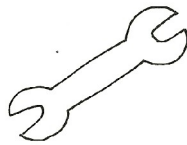

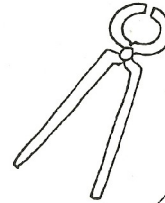

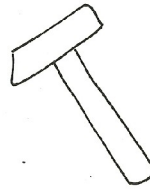

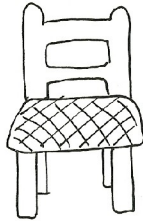

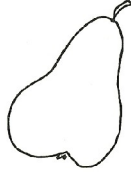

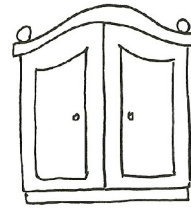

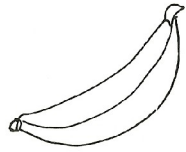

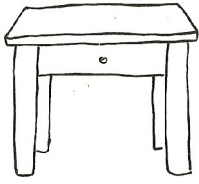

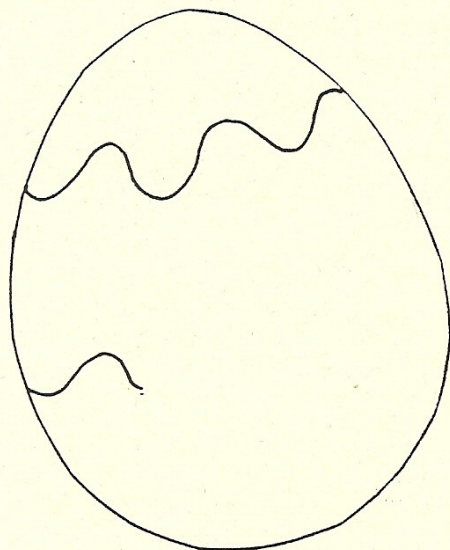

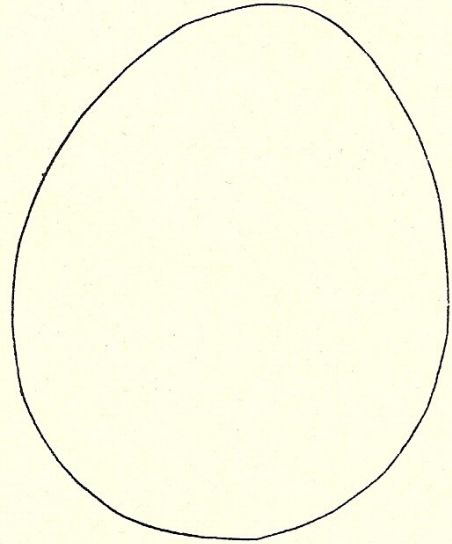

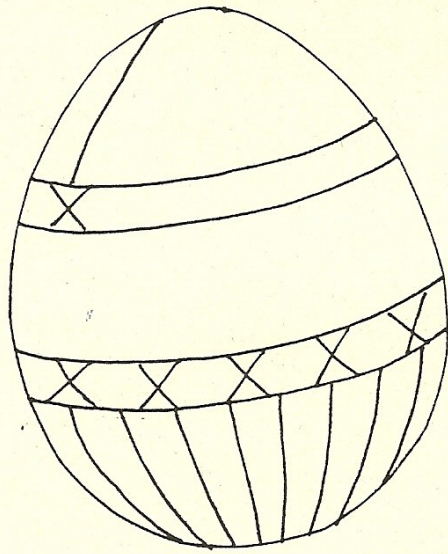

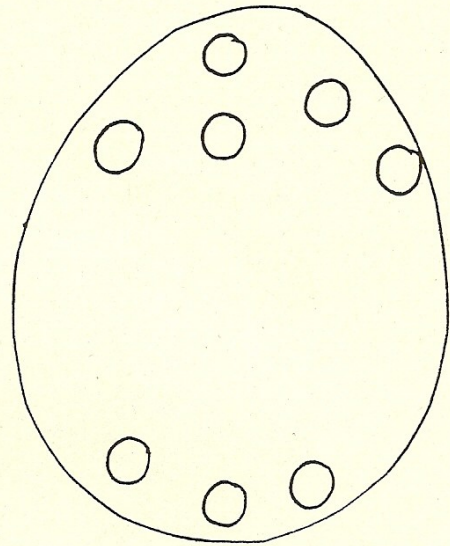

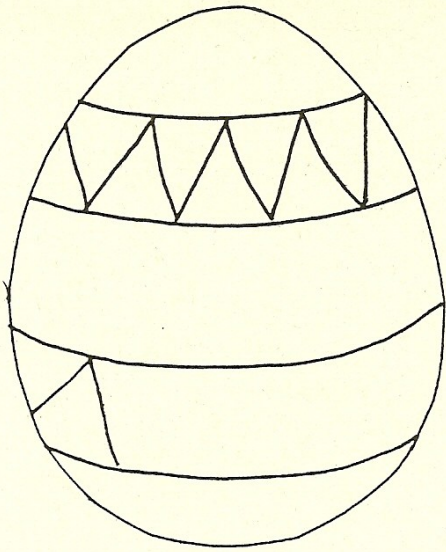

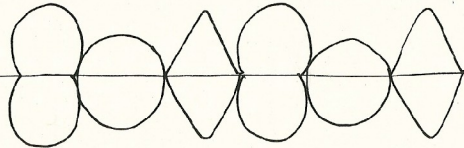

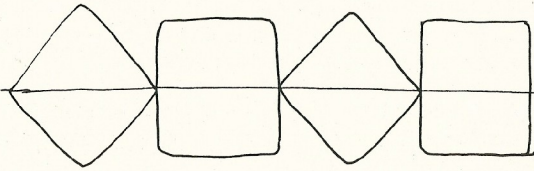

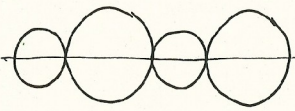

Verlege in diesem Haus Stromkabel (rot), Wasserleitungen (blau) und Abwasserleitungen (braun).

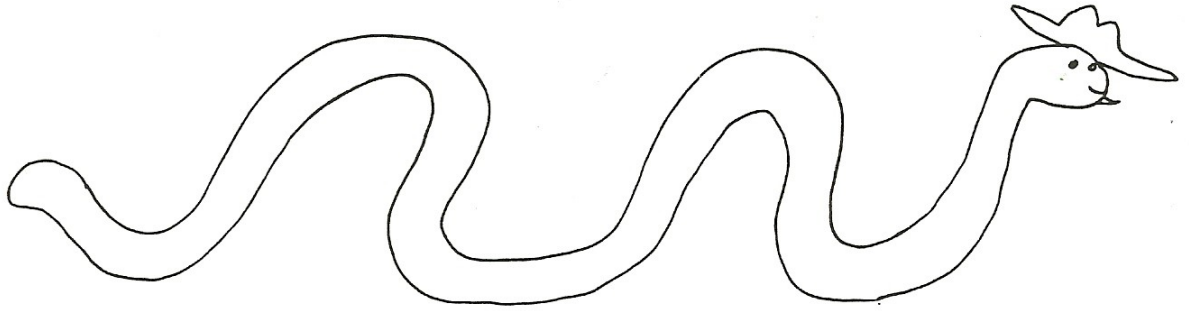

Kreuze an oder male an,
was zusammen gehört.

Und warum gehören die Dinge
zusammen?

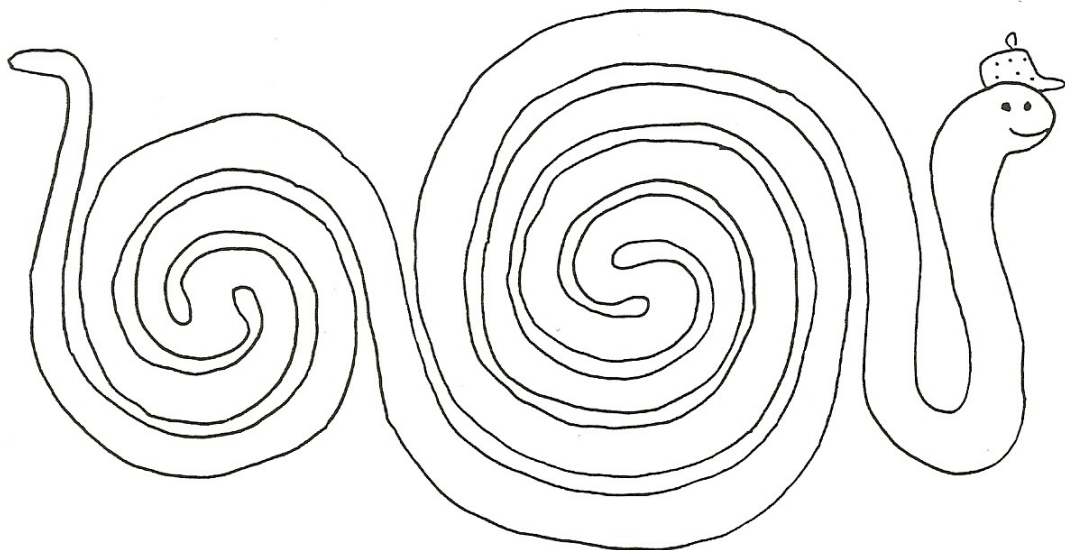

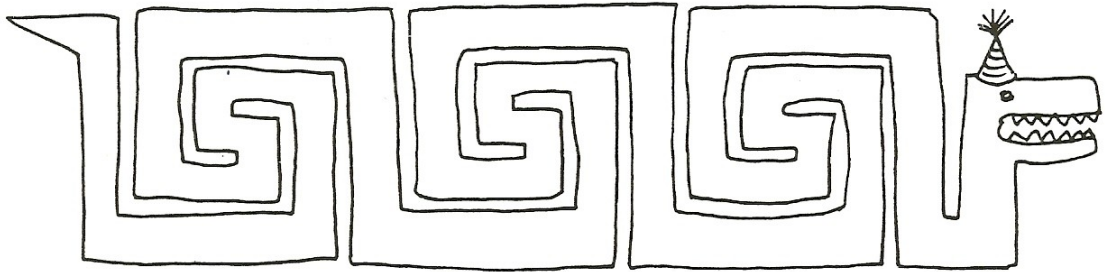

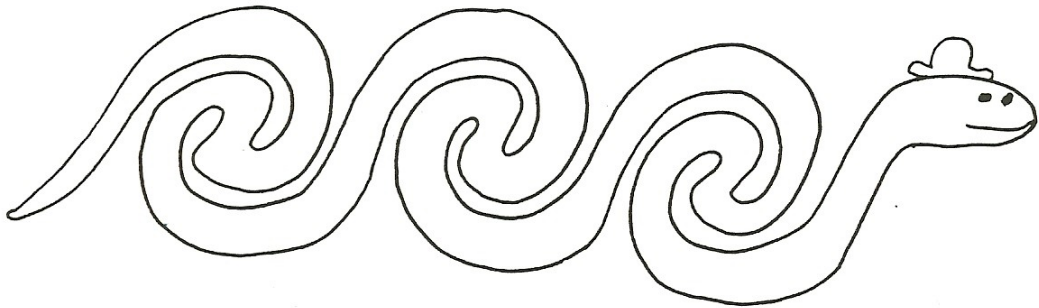

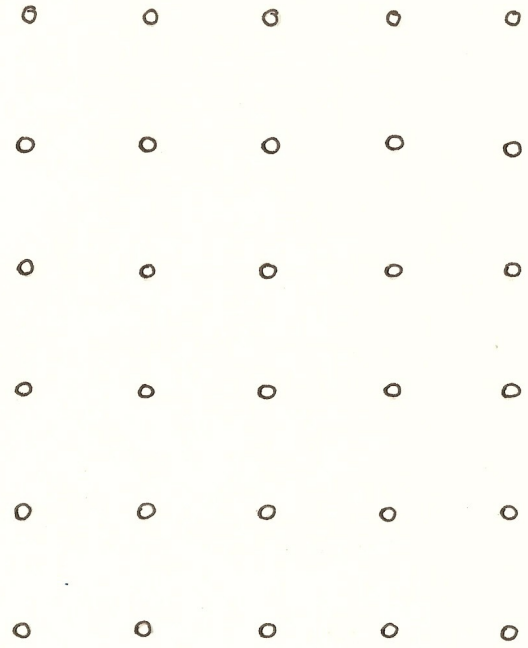

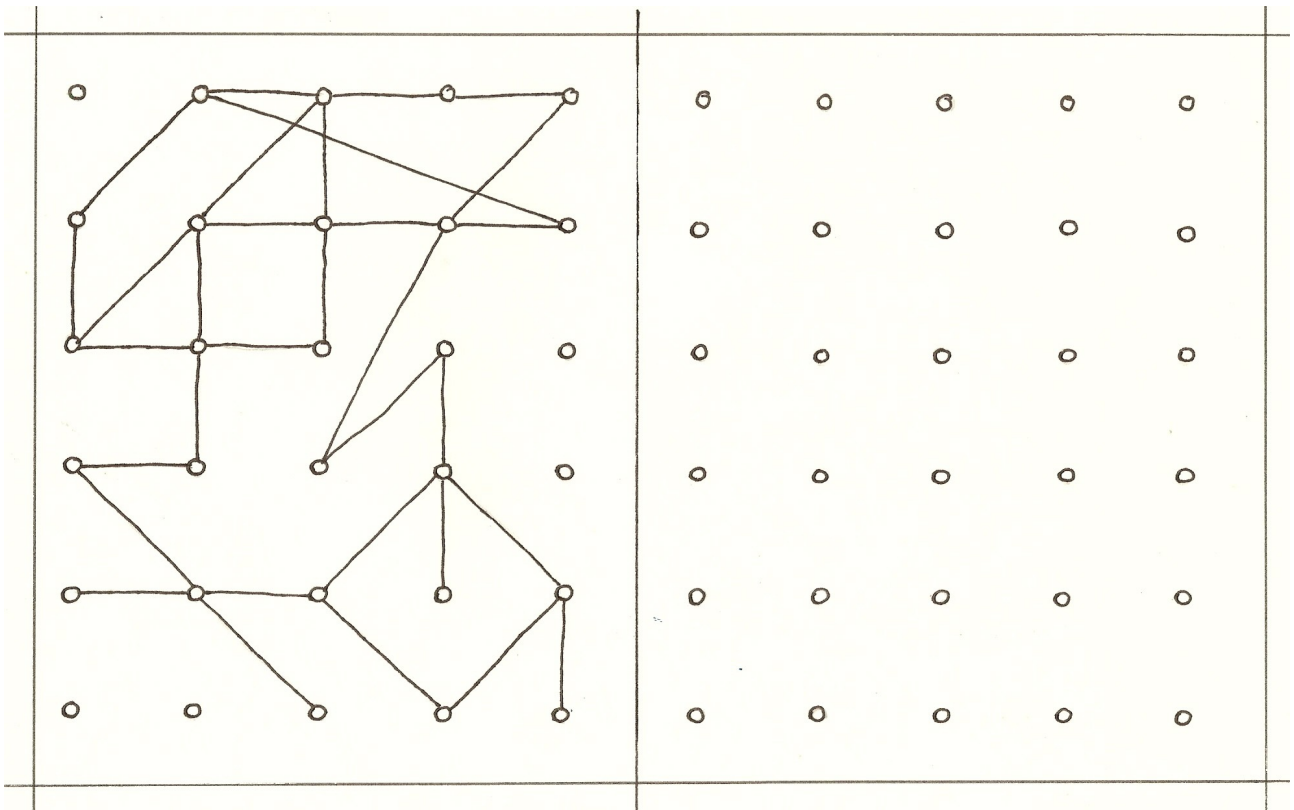

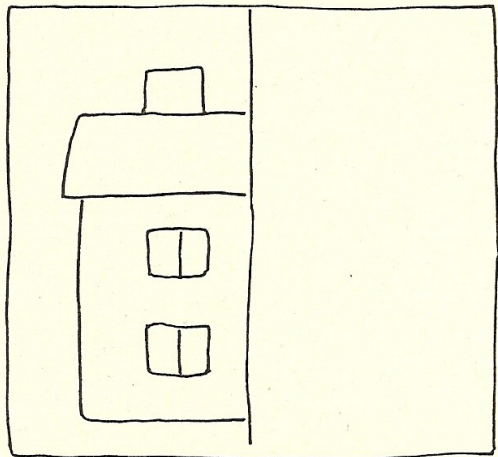

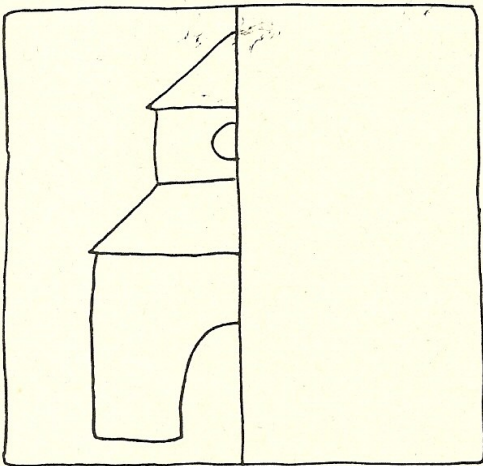

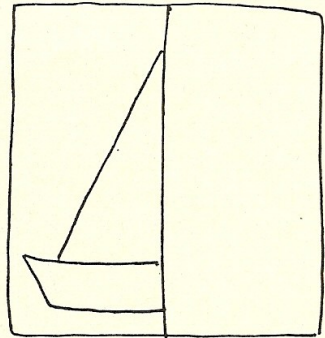

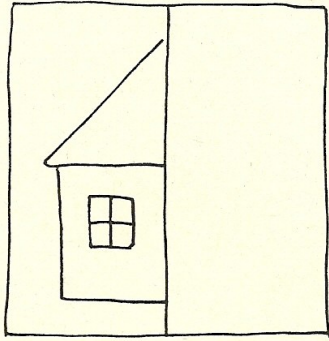

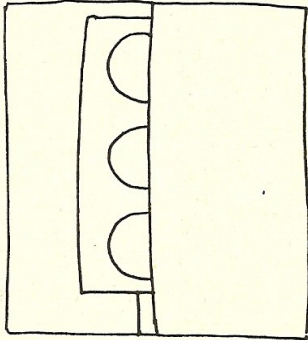

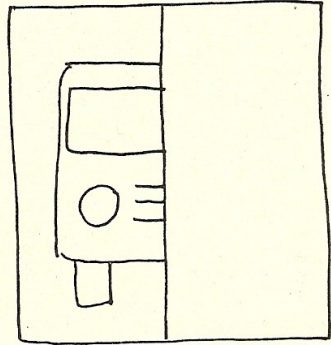

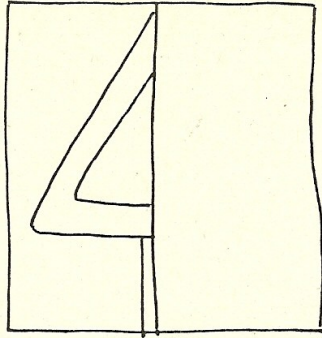

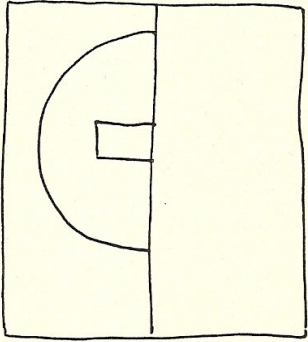

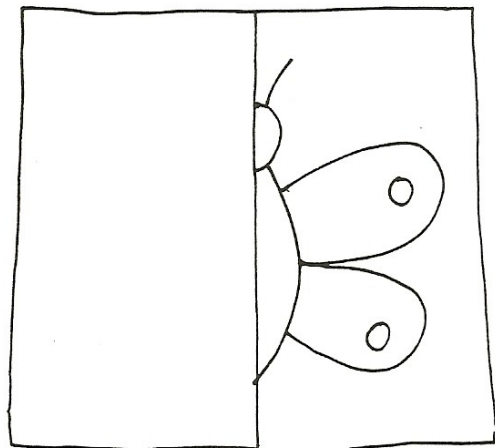

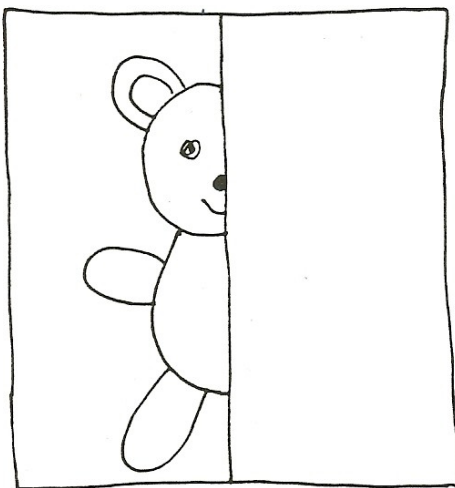

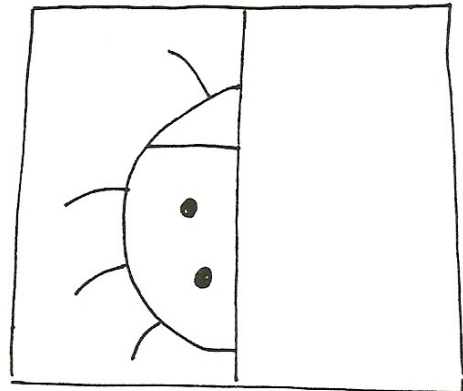

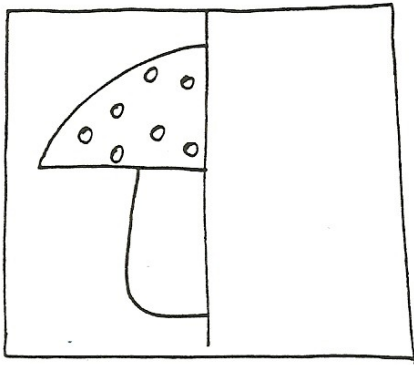

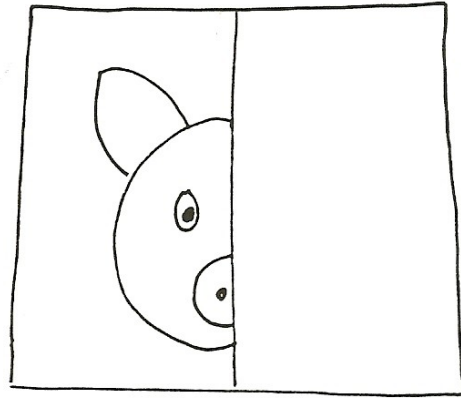

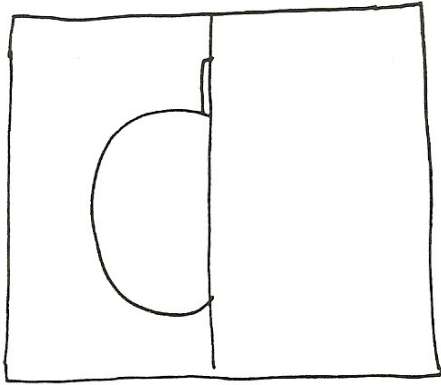

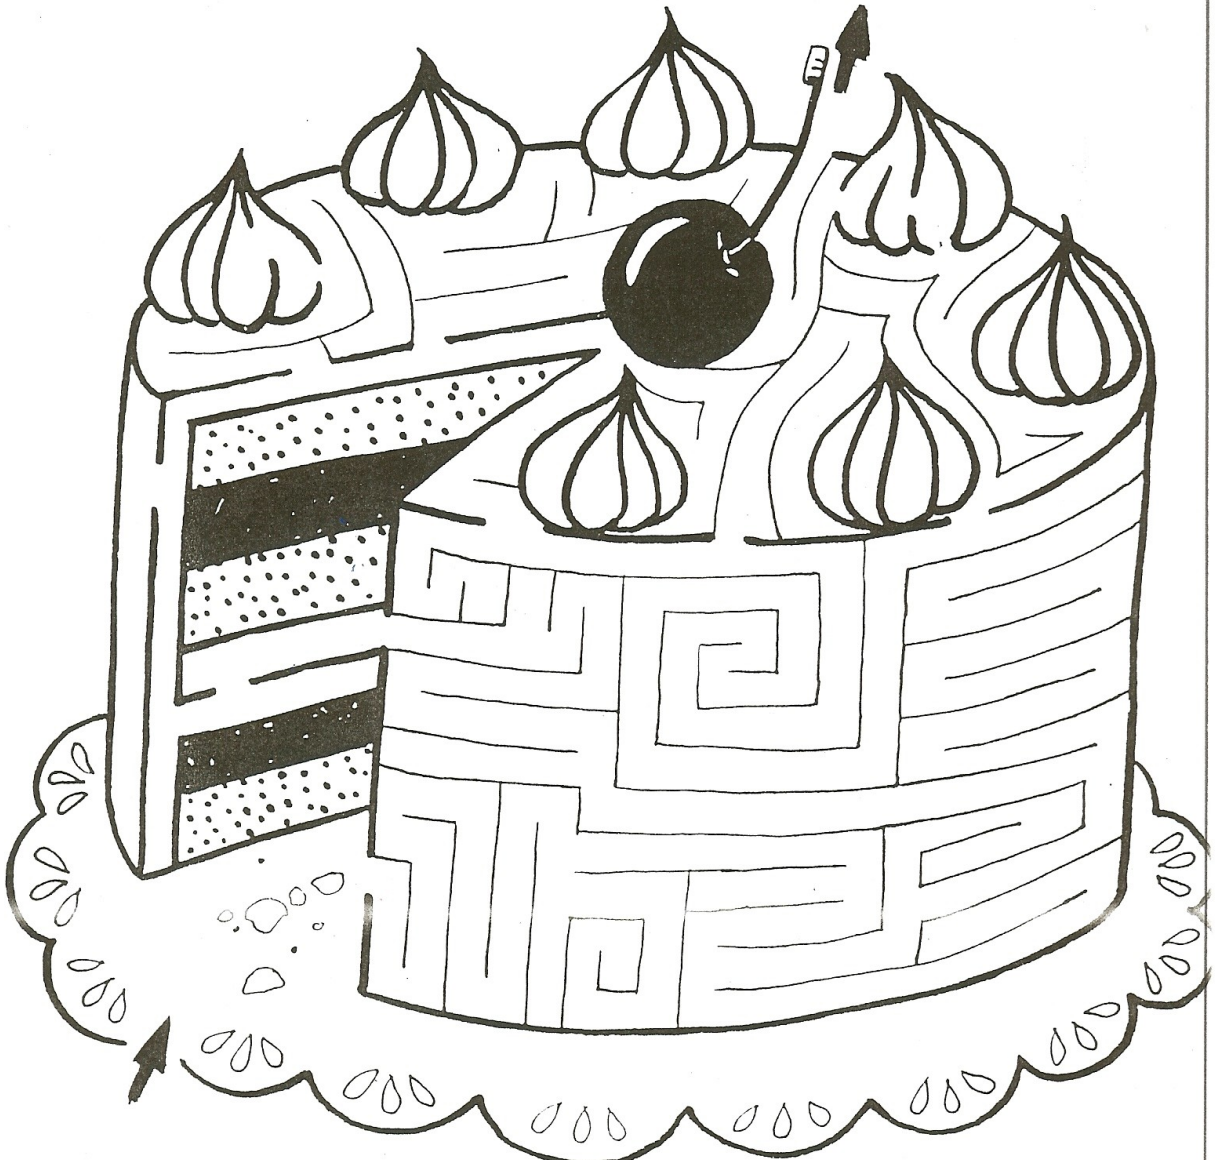

Versuche, nicht über die Linien zu malen.

Quelle: unbekannt

Male für
jeden Zwerg
ein Bett.
